To accomplish great things, we must not only act but also dream, not only plan, but also believe.

**Plot of the Movie**

Based on true events, Cool Runnings is the story of Derice Bannock, a Jamaican Sprinter who fails to qualify for the 100 m sprint at the Olympics due to a freaky mishap during the trials. But when he hears of Irving Blitzer, an American Olympian and a friend of his father living also on Jamaica, Derice decides to go to the Games anyway, if not as a sprinter, then as a bobsledder. After some starting problems, the first Jamaican bobsledding team is formed and heads for the Winter Olympics at Calgary. In the freezing weather Derice, Sanka, Junior and Yul are only laughed at, since nobody can take a Jamaican bobsledding team led by a disgraced trainer seriously. But team spirit and a healthy self confidence lead to a few surprises in the upcoming Winter Games.
